Limited Bitfocus staff have access to this server and the data for the purposes of network support and maintenance. Data collected for the network will be maintained for at least seven years from the last date of service.

The list of agencies participating in the network and network partners can be accessed on the ICA website here, [HMIS Release of Information](#). This list may change.

Please note if you grant permission for your information to be shared, that agreement will be in effect until you revoke it in writing.
